Cultural Affairs Officer Greets Returning Bold Leaders in Nango'ma

On May 28, the CAO met four students from Nango'ma Secondary School who went to the U.S. on the Bold Leaders Exchange Program. The students spent three weeks in Kansas as guests of the 4H Clubs of Kansas. After their return, the students started a 4H Club and that created a seedling nursery under the guidance of a local forestry expert who is the grandfather of one of the Bold Leaders. The students plan to sell the seedlings to raise money to pay school fees for their classmates who might leave school because they cannot pay the fees. The goal of the seedling program is keep as many students as possible in school and to reduce teen pregnancy.
